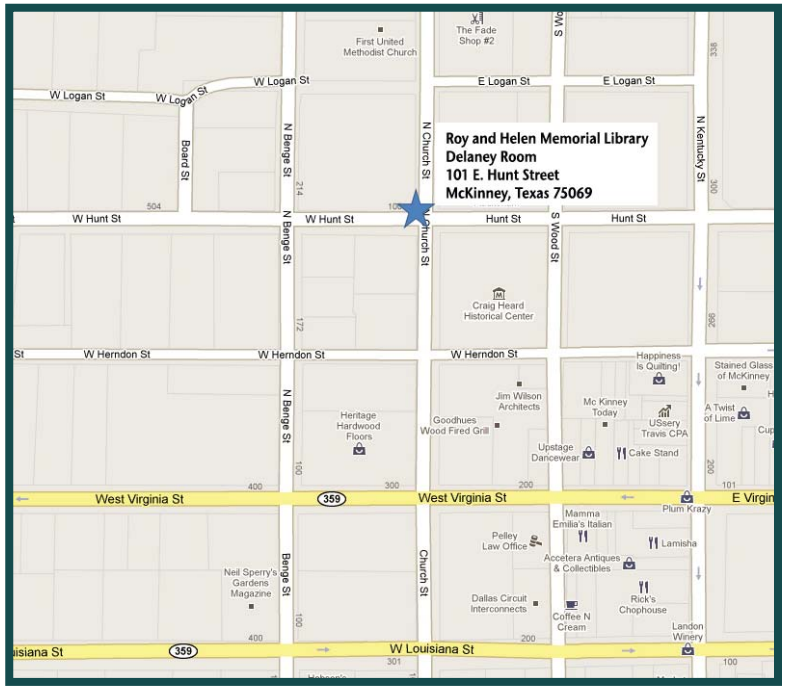
## ...for a community discussion about the housing market and neighborhood conditions.

**The Community Services Department of the City of McKinney will host a Community Forum to understand community needs and gain participation to shape the City's five-year Housing and Community Development Consolidated Plan. Join community leaders and residents at the Delaney Room of the Roy and Helen Hall Memorial Library, 101 E. Hunt Street on July 8, 2010 at 6:00 PM.**

**Participants will be asked to comment and help prepare our City's plan, which includes community needs, resources and priorities for housing and community development activities funded with grants under the U.S. Department of Housing and Urban Development (HUD).**



**For more information, contact the CDBG Office at 972-547-7577 or visit the website at www.mckinneytexas.org.**
