## TERMS AND CONDITIONS

- I certify that this ET Controller was purchased and installed at the address listed above. I have attached the necessary documents for registration and understand that the watering day exemption will not become effective until I have paid the one-time non-refundable registration fee of \$25 for the initial registration, and the City of McKinney has approved my application. I also understand that I am responsible for re-registering the ET Controller, free of charge, prior to the anniversary date each year. Failure to register or properly maintain the system will be considered non-compliance and the exemption will be revoked. If registration is revoked, a \$25 registration fee will be assessed to re-register ET Controller.
- I agree to display a small city-issued yard sign visible from the street to indicate the use of an ET Controller. Restrictions pertaining to time-of-day, watering during rain or freeze, and broken/misdirected heads still apply. I understand that the ET Controller sign is the property of the City of McKinney and may be removed for non-compliance.
- I understand that the City of McKinney reserves the right to inspect and/or audit the ET Controller to ensure it is properly installed and maintained. I understand that the City of McKinney may conduct an Irrigation Audit of my system if it appears the system is not running properly based on water consumption analysis. The City of McKinney may deny any application that does not meet program requirements and reserves the right to alter this program at any time.
- I understand that the installation of an approved ET controller does not guarantee a reduction in my water bill or my water usage.
- I certify that the above information on this application is true and correct to the best of my knowledge.
