Dear Resident of Trinity Falls –

We are excited to announce the opening of McKinney Fire Department Fire Station #10 on April 2, 2020! This fire station is located at 1150 Olympic Crossing in Trinity Falls and serves all of the surrounding area. The engine company assigned to Station #10 will respond to all hazards and is supported by the totality of the McKinney Fire Department.

We are excited to be a part of Trinity Falls community!

Thank you and please let me know if we can be of assistance.
