Name	Address	Leave in Place	Leave with signage	Storage	Donate/Sell	Add statues	Relocate	Other	Comments
John Charles Hardin	McKinney	1							Preserve History - but want to look forward but not backwards.
Samuel Hockaday	McKinney	1							Statue has no reference to confederate service. Throckmorton product of the times.
Ann Sampson	McKinney		1			1			Plaque should note that Throckmorton was a Southern Democrat and other. Also proposed putting issue to vote for all citizens. Strong position with leave with signage but also noted the add statue options.
Daniel Bernal	McKinney	1							Noted that Throckmorton voted to stay in the union. Also mentioned 'historic' feel should be preserved.
Fred Riegle	McKinney	1							These types of changes should be voted on by citizens. Feels like AB is a 'curtain for the council members to hide behind'. Ford vehicle example
Tammy Warren	McKinney		1						Recited UDC Statement on confederate symbols
Joseph Greco	McKinney	1							Comment about respect/judging and grandchildren/grandparent conversation.
Vickie Anthaume	McKinney		1						Hopeful that both sides are able to accept the decision at the end of the day.
Chris Inman	McKinney						1		Mentioned Pecan Grove Cemetery as a possible location.
Bob Smith	McKinney	1							
Tom Terrall	McKinney	1							
Phillip Lucia	McKinney						1		Mentioned Pecan Grove Cemetery as a possible location. Made a comment that we are the last part of the metro with this type of statue (?)
Terry Thomas	McKinney						1		Move somewhere that it can be honored.
Shannon Carter	McKinney						1		On second comment, strongly opposed to contextualizing with a plaque. expressed support for moving the statue to the Collin County Historic Museum - adding into a curriculum for schools. Didn't really state a formal position but did note that we should not celebrate Throckmorton.
Sean Howe	McKinney						1		On second comment - provided support for the Collin County Historic Society. Believes that this decision is a moral decision. Did not clearly state a position but mentioned that this is an opportunity to make the square welcoming to all in McKinney.
Tonya Fallis	McKinney								McKinney employee but. Does not want us to do nothing. Didn't pick a selection - but just felt like do nothing is not the best option
Tamara Johnson							1		Address (?) On second comment - talked about the Collin County Historical Museum
Imani Handi	McKinney						1		Statue should be in the Collin County museum - also protects it.
Lavartus Handi	McKinney								Comments about the statue that leaned towards relocate remove but didn't state clearly.
